For you and with you ... The world over. No exceptions.

Get more fruit per tree canopy.

Early & consistent - year after year - fruit set. Year-Round fruit! Many varieties mature at different times.

Safe, easy & Eco-Harvesting management and maintenance. Keep them like a small shrub - easy and safe picking.

Prune! "Deep Light Penetration" means less pests/diseases.

The More Varieties close together, the better the results.

Avocados are delicious and great for your health too!

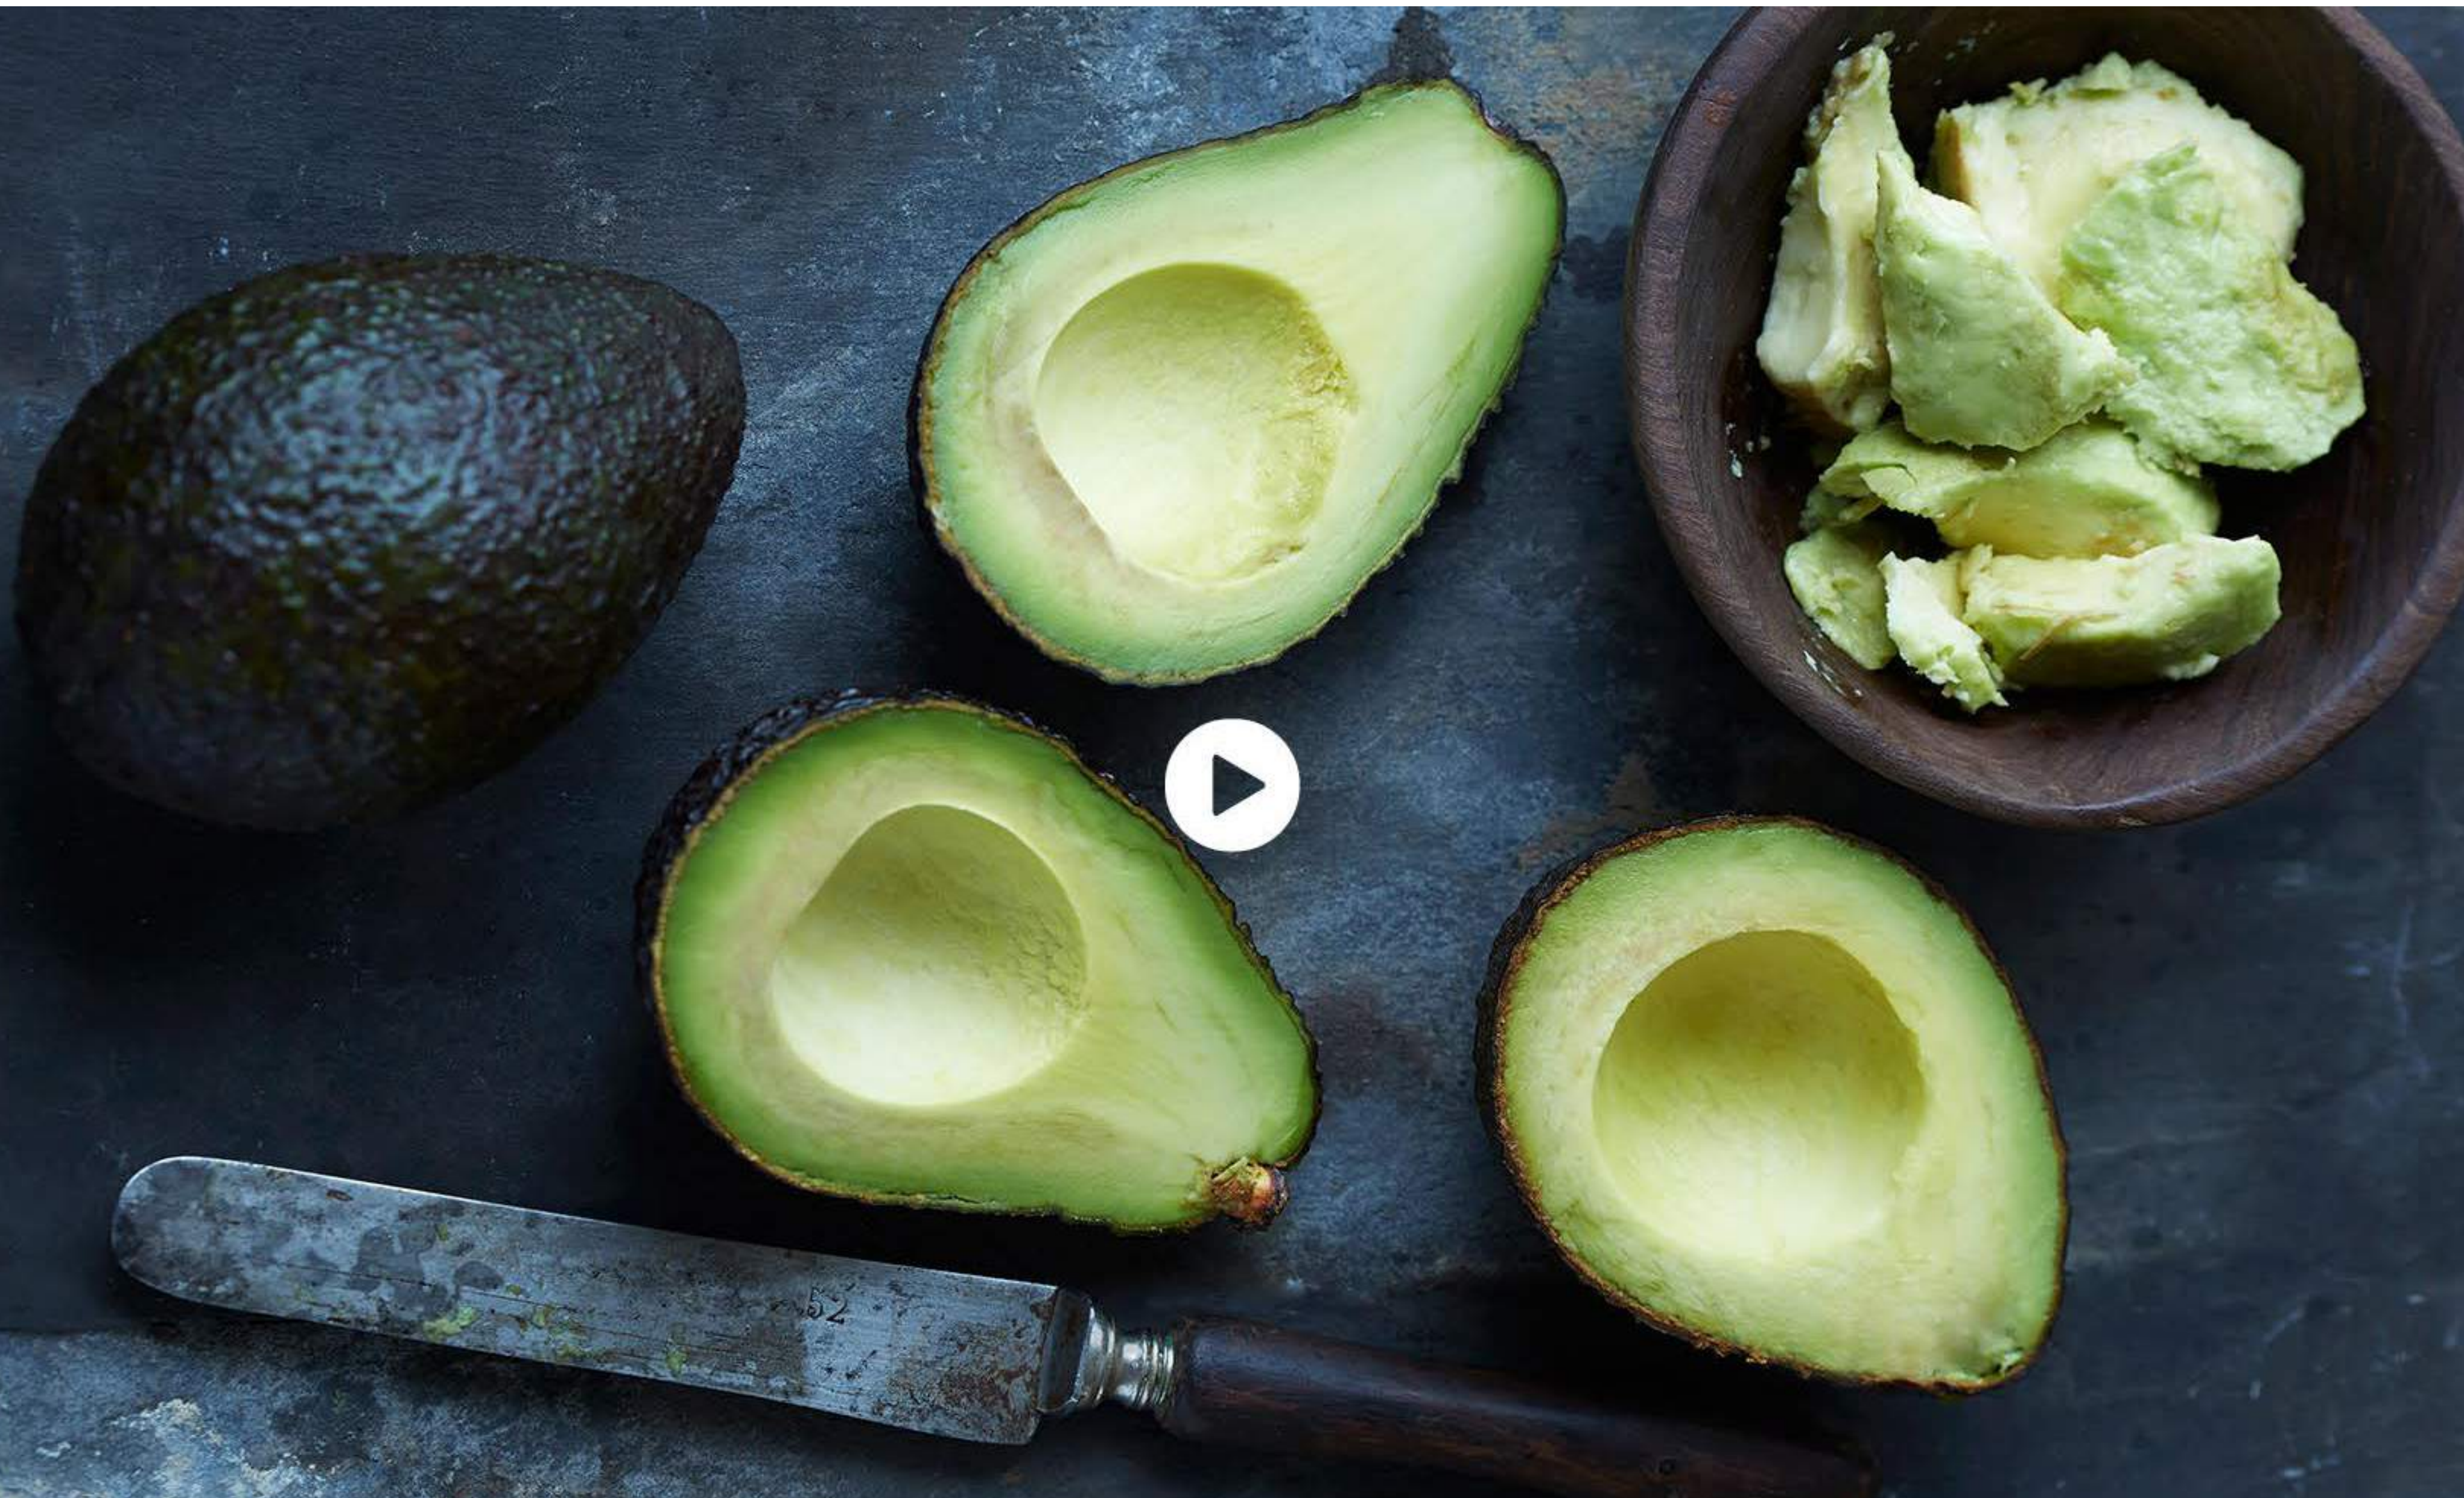

- Promote Heart Health
- Wide-Ranging Anti-Inflammatory Benefits
- Optimized Absorption of Carotenoids
- Supports Cardiovascular Health
- Promotes Blood Sugar Regulation
- Anti-Cancer Benefits
- May help lower cholesterol
- May reduce the risk of diabetes, stroke, and coronary artery disease
- May promote a healthy body weight and BMI

Testimonials

"It was with much delight to find all these beauties growing about a week ago now... Wow!"

Sandra Walker
