## OVERVIEW

THE COMEBACK OF ALFA ROMEO'S SPORTIEST SALOON

The All-New Alfa Romeo Giulia was designed, engineered and crafted by genuine Alfa Romeo enthusiasts, to fulfill the expectations of the most demanding drivers. Behind its beautiful and sporty body, lies the true heart of the All-New Alfa Romeo Giulia: advanced technology, a bold dynamic spirit and outstanding performance and efficiency. This, all balanced by a design that puts the driver and their emotions at the centre.

## STYLE

REIGNITE THE FLAMES OF DESIRE

We call it 'meaningful beauty'. The All-New Alfa Romeo Giulia's substance is cloaked in style, its mechanics creates emotion from the very first moment you see it. There's no drama in its design, yet every choice is dramatic for a genuine enthusiast. The All-New Alfa Romeo Giulia brings back the essential Alfa Romeo spirit to become an 'instant classic' piece of work.

## TECHNOLOGY

DEVELOPING INNOVATIVE EMOTIONS

Don't expect vast numbers of gadgets or unimportant buttons: although the All-New Alfa Romeo Giulia features all the latest cutting-edge technology in safety and infotainment, unnecessary additions have been left behind. Every control onboard is clear and intuitive. This puts all the attention of the driver safely on the road and on handling, with pure Alfa Romeo fun at the wheel.

## 4c

\$19,990 +ORC

The Alfa Romeo 4C is hand built at the Maserati factory in Modena by expert technicians who have undergone 500 hours of special training. Assembly technicians follow every phase of the process personally and, at the end of the line, perform rigorous quality control tests to ensure that all components function perfectly.

## Gulietta

\$19,990 +ORC

This is the Giulietta: different features that merge into an elegant and harmonious style, which is both sporty and rational at once. It is what ranks the Alfa Romeo saloon a cut above the rest.
